

Vibe 12⁺

Vibe 12⁺ is a firm and practical device you can take with you. Thanks to the larger 13-inch high-resolution screen, cells are more visible and are a bigger target to access. The reinforced table stand, the Gorilla Glass screen and protective bezel gives it an

instantly durable feel. You can access the device by using switches and control home automation via infrared.

Technical specifications

Operating system Windows 11 Pro (64 bit)
